

# Central Bucks Community School Permission To Swim 2008

My child will attend: \_\_\_\_\_ Groveland \_\_\_\_\_ Jamison \_\_\_\_\_ Mill Creek

My child's grade for the 2007-2008 school year is \_\_\_\_\_

We are giving our older campers (those who have completed grades 3,4,5, & 6 in the 2007-2008 school year) the opportunity to swim at the CB South Pool. The **Central Bucks South Pool** is **8 lanes, depth is 5 ft to 14 ft** and has **4 diving boards**. This will give all campers more swim time. We will need your permission below to test your child's swimming skills. They will be required to swim two lengths of the pool (50 yds) of either freestyle or breast stroke without holding onto the side, touching the bottom or stopping after each lap. They will have to tread water for 2 minutes. If they pass this test they will then swim at CB South pool in accordance with your camp calendar.

The **Central Bucks East Pool** has a **shallow end** that goes from about **3 ½ to 5 feet deep**. The **deep end** goes from **5 to 12 1/2 feet deep**. Your child must take the Deep Water Test which consists of swimming one length (25 yds) either freestyle or breast stroke without holding onto the side, touching the bottom or stopping and tread water for 2 minutes in order to swim in the deep end of the pool.

To participate in swimming at either pool or take the deep water test this sheet must be signed and returned prior to the start of camp. Those who pass the appropriate test will be allowed to swim in the deep end (5 - 12 ½ feet) at CB East or at CB South (5 – 14 ft deep) and use the diving boards and starting blocks at both pools.

If you have any questions you can reach Marge Donohue, Aquatics Manager at 215-345-9240 or e-mail her at [cbswim@comcast.net](mailto:cbswim@comcast.net)
