

The items listed below supplement the supplies provided by the school and help students to be prepared for the projects and activities planned for the school year 2008 - 2009. While there may be a few additional items that individual teachers may request for special classroom activities and assignments, this list will give you a head start on your back-to-school shopping. It's a good idea to label items with the student's name.

Buckingham Second Grade Supply List
